**Notes:**

- <sup>1</sup>Online sessions are four hours, 11:30am – 3:30pm Eastern Time. Breaks and off-screen assignments included.
- In winter-spring, *Way of the Spirit* sessions usually happen monthly. There'll be more reading and content exploration from January through May.
- Residential retreats are planned for April 2026 and March 2027 near Richmond, Indiana.
- No group sessions are scheduled in June, July, and August, freeing the time for grade school vacations and varied Quaker annual sessions.
- In summer, self-initiated “spiritual experiments” will help participants apply and integrate content material. Written reflection and responses in the private online community will keep us engaged.
- Way of the Spirit* will take a holiday break in November and December 2026.
- <sup>2</sup>Participants form and meet with a small, local circle to support their personal discernment in faithfulness. Quakers have called these groups Anchor or Support Committees.
